LOWER AND UPPER CENTENARY GALLERIES

All spaces can be accessed by wheelchair but movement within each room has some limitations. There is atmospheric music throughout. Noise-cancelling headphones are available from the Information Desk on request. There is low-lighting with dark displays and wall treatments throughout. Some of the spaces contain flickering lights. The nature of the displays means there are objects directly on the ground, so take care when moving around the exhibition.

LOWER CENTENARIES

In the main Gallery building a universal access toilet (RH) is located on Ground Floor, and a universal access toilet (LH) on Rooftop level. Ambulant toilets are located on Rooftop level, and a Parent's / Carer's room on Ground Floor.
